Sir :

On July 25, 2001, Applicants filed an Information Disclosure Statement in the above-captioned matter. In the Information Disclosure Statement, list US and foreign patents, which had all been cited in an International Search Report were brought to the Examiner's attention, copies thereof were provided to the Examiner, and a Form PTO-1449 was also provided.

Also provided was an English language abstract of the Japanese patent, also cited on the Form PTO-1449. Although all of the English language abstract of the Japanese patent documents were not initialed. To complete the record, Applicants assume that the English language abstract of the Japanese patent was considered by the Examiner during consideration of the underlying document. Applicants request the return initial of the English language abstract of Form-1449 .
